hi Roy, I can't. But what you should do is resend the message below to this address
WebChanges@epa.gov

At the bottom of all EPA "About" pages it says "Contact the About EPA Web editor to request an update of this page or report a problem." They handle changes for the general EPA "About" pages.

Christine - As you have done previously, could you please update the EPA Region 3 web page for Pennsylvania (<http://www.epa.gov/aboutepa/states/pa.html>) under the "Dimock, Pa. Activities heading as follows:

Can you update the bullet below so that it says "61 Dimock households" instead of "59 Dimock households"

"Validated data summary report for 59 Dimock households that were sampled."

Also, can you change the link so that it goes to the updated chart. Here is the new link:

<http://www.epaos.org/sites/7555/files/Dimock%20W1,2,3,4,5%20Compulation%20Report%202.pdf>

Once again, thank you for the assistance and let me know when the link has been updated.

-- Roy
